To register, please go to bostonssc.com, Media, News and Events or go to: http://events.constantcontact.com/register/event?llr=7m8sfagbb&oeidk=a07ej va2u0a3478557b

Registration Information

This course provides nurse case managers, adjusters and physical therapists with a unique opportunity to enhance their knowledge and skills in the treatment of orthopedic work injuries.

Objectives

Describe the causes and presentation of orthopedic work-related injuries
Analyze the appropriate diagnostic steps for evaluation of work injuries
Discuss nonoperative and surgical treatment options for work-related musculoskeletal injuries
Demonstrate a comprehensive understanding of rehabilitation and recovery process
Identify effective new orthopedic technologies to accelerate return to work

Continuing Educational Credits

This program has been submitted to The Commission for Case Manager Certification for approval to provide board-certified case managers with 5.5 contact hours. This program is **approved** for 5.5 CHEs from the MA chapter of the APTA.

Course Tuition

The registration fee is $50.00

Course Location

Waltham Woods Conference Center, 850 Winter Street, Waltham, MA 02451
